

# Travel from Lund Central Station to the European Spallation Source (ESS) main office.

**Walk in 30 minutes.** Lund has a compact city centre and it is possible to reach most destinations on foot. The walk from the central station to ESS is 2.5 km and will take approximately 30 minutes. If you are using a mobile maps application, best results will be obtained by entering the destination address as **Tunavägen 22**. The main ESS offices are part of a large complex known as Medicon Village, which extends across both sides of Tunavägen. To find ESS, you must enter the parking lot on the right-hand, or south, side of Tunavägen. If the gate is closed, please press the button on the call box to gain entrance. The ESS main reception is at the last building entrance in the parking lot, where the large blue ESS flags can be seen.

**Bus in 6 minutes.** ESS is a 6-minute bus ride from the train station on one of the green city buses.

Tickets: In most cases your train ticket will include onward bus travel within Lund. Ask the bus driver if your ticket is valid as you board the bus. Tickets cannot, however, be purchased on board the buses. Bus tickets cost around 17 SEK and can be purchased using the following methods:

- The Skånetrafiken mobile phone app, which requires a working phone number and a credit card.
- The local train/bus card, known as *JoJo*, which can be topped up with 50-200 SEK at the Skånetrafiken customer centre (Kundcenter) at the central station, or Pressbyrån, a convenience store in the central station.
- A Swedish mobile phone (send an SMS with 'LUV' to 070-142 22 22).

Travel: **Bus Stop K** is located just outside the northwest entrance of Lund Central Station, before Clemenstorget, the tree-lined square where there are many bike racks. Take **Bus Route 1** towards *Östra Torn* or **Bus Route 6** towards *Östra Linero*. These depart every 15 minutes during the day. Get off at **Bus Stop Sparta**. From there, it is a 2-minute walk to the gate, turning left (or east) as you exit the bus. See more walking details above.

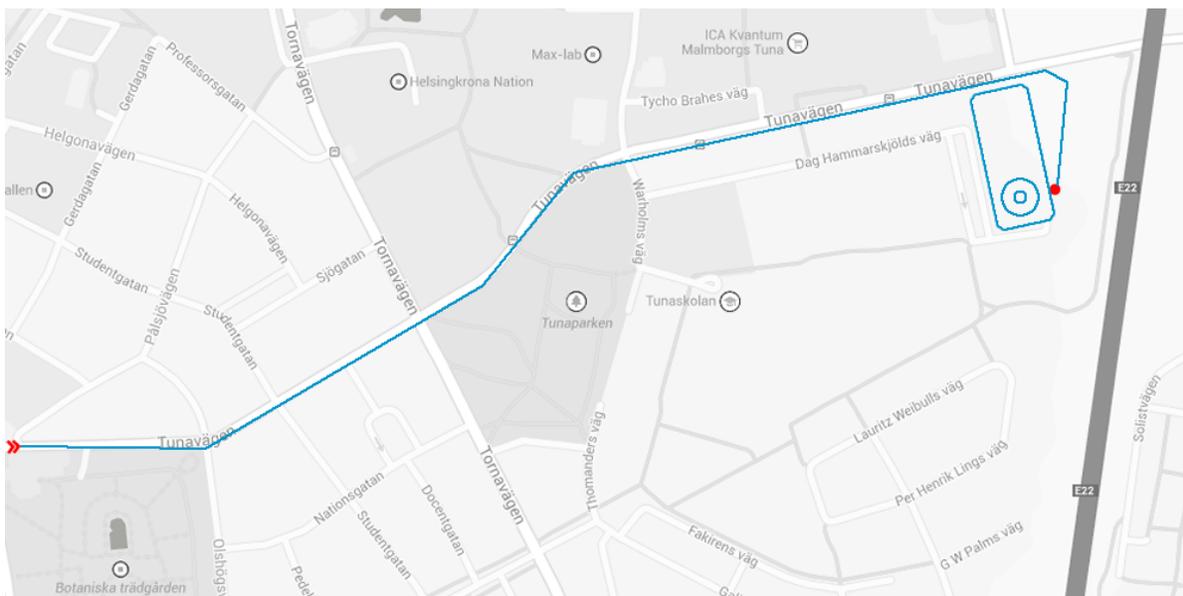

**Taxi in 9 minutes.** Look for **Taxi Skåne** outside the southwest entrance of Lund Central Station (opposite side of the tracks from the city centre), near Västra Stationstorget. Visitors to ESS receive a **fixed rate of 105 SEK** (2014). The destination address is **Tunavägen 24**. The ride takes less than 10 minutes, and the taxi can pass through the gate on Tunavägen and drive to the ESS main entrance at the end of the parking lot. If Taxi Skåne is not available, please observe the following precautions:

- Prices should be agreed in advance, and fixed-priced ride prices should be posted and visible.
- The meter should be operating and active for the entirety of the trip.
- A receipt may be necessary to retrieve forgotten items or to make a complaint.
- Swedish taxis must display comparative pricing for a 10 km trip. This price should be displayed in large black letters on a yellow background.

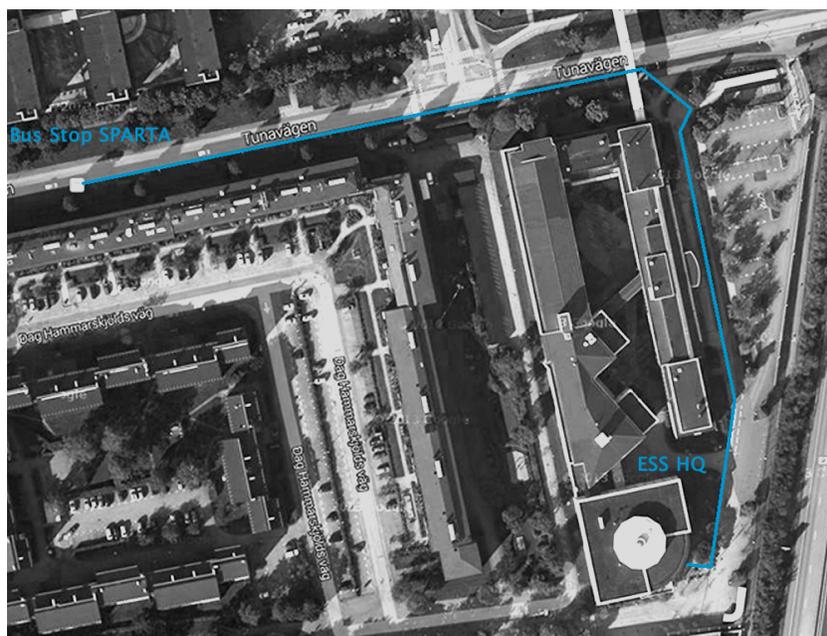

**Parking is free.** There are designated Visitor Parking (Besökare Parkering) spots directly outside the ESS main entrance. To access the parking lot, drive through the entrance gate on Tunavägen. If it does not open automatically, press the button on the call box.
