

Getting to ESS (within Lund)

Odarslövsvägen 113
224 84 Lund, Sweden

Bus. The green city bus no. 20 leaves Lund Central Station (Lund C) every 10 minutes at peak times with final destination ESS. Journey time is approximately 15 minutes. Exit the bus at the ESS bus stop in the ESS parking lot, directly in front of the entrance gate to the ESS office buildings.

Car. Exit the E22 motorway at Interchange 22 - Trafikplats Lund N, keep right and follow the signs for Ö Odarslöv/Brunnshög and merge onto Solbjersvägen. At the roundabout, take the third exit onto Odarslövsvägen. The ESS site delivery entrance, Gate A, is approximately 2 km down the road on your left. Taxis should enter here. Personal vehicles should proceed past Gate A about half a kilometer and turn left. The next left is entrance Gate D, which will take you to the site office parking lot. Free visitor parking (maximum 2 hours) is available close to the office entrance at Gate C.

Bike. There are cycling paths all the way to the ESS Site from central Lund. When you reach the roundabout to enter onto Odarslövsvägen, there is an underpass on the right-hand side of the road that leads on to the cycling path along Odarslövsvägen. When approaching the Site, you need to cross the road to enter through Gate A. Bicycle parking is available outside Gate C, on the left.

To enter the Site Office: From the parking lot, enter through Gate C, which is open for pedestrian access during business hours. Follow the signs for either the ESS main reception or the SEC site office. To enter the building, use the door phone to contact reception or an individual staff member. Follow the instructions on the panel.

To enter the Construction Site: The construction site is accessible via Gate B, straight on from Gate A. A security guard is manning this gate, and only vehicles that have been pre-registered will be allowed to enter. To enter the Construction Site on foot you need a registered ID06 access card.

Office Deliveries: Proceed to Goods Reception area adjacent to main ESS reception.
